The findings of the Proposal Evaluation Committee are summarized as follows:

The Proposal Evaluation Committee used the established NJPA RFP evaluation criteria and determined that all proposal responses met Level-One and Level-Two Responsiveness and were evaluated.

Clark Equipment Company dba Doosan Portable Power offers products such as portable air compressors, mobile generators, and light towers. They have a large sales and service force, extensive experience within the industry, and competitive pricing.

Multiquip, Inc. offers compaction equipment, concrete placement and mixers, water pumps and trailers, and generators along with many other products. They offer experience within the industry and competitive pricing.

Sullair, LLC offers portable and stationary air compressors, air tooling and drill compressors along with other products. They have a large sales and service force and experience with NJPA and NJPA members. They also offer competitive pricing.

Trail King Industries, Inc. offers trailers for construction, commercial and material hauling, and dumping trailers. They offer a large sales and service force.

For these reasons the NJPA Proposal Review Committee recommends award of NJPA Contract #052015 to

Clark Equipment Company dba Doosan Portable Power	052015-CEC
Multiquip, Inc.	052015-MTQ
Sullair, LLC	052015-SAC
Trail King Industries, Inc.	052015-TKI

The preceding recommendations were approved at the July 21, 2015 Board meeting.
